

SREE ABIRAAMI

ARTS AND SCIENCE COLLEGE FOR WOMEN

Approved by Govt. of Tamil Nadu | Affiliated to Thiruvalluvar University, Vellore
NAAC Accredited with "B++" Grade | ISO 9001:2015 Certified Institution

Department of Mathematics

Invitation

The Department of Mathematics
cordially invites you to the

INAUGURATION OF RAMANUJAN CLUB

Srinivasa Ramanujan
(1887 – 1920)

"The man who knew infinity."

DATE

29 June 2026

TIME

2:00 PM

VENUE

Room No. 102

Your gracious presence will be a great source of encouragement
and inspiration to all the students and faculty.

We look forward to your esteemed presence.

PROGRAMME HIGHLIGHTS

- ❖ Prayer
- ❖ Welcome Address
- ❖ Chief Guest Address
- ❖ Introduction of Office Bearers
- ❖ Objectives, Mission, and Vision of the Ramanujan Club
- ❖ Club Events Presentation
- ❖ Vote of Thanks

With Regards,

Department of Mathematics

Sree Abiraami Arts and Science College for Women

π

The Man Who Knew Infinity

$$1 + \frac{2}{3} + \frac{3}{5} + \frac{4}{7} + \dots = \frac{\pi^2}{8}$$

SRINIVASA RAMANUJAN

A LEGACY OF MATHEMATICAL GENIUS

$$p(n) \sim \frac{1}{4n\sqrt{3}} e^{\pi\sqrt{\frac{2n}{3}}}$$

$$1729 = 1^3 + 12^3 \\ = 9^3 + 10^3$$

"An equation means nothing to me unless it expresses a thought of God."

- Srinivasa Ramanujan

Ramanujan's life is a proof that passion, perseverance and pure curiosity can solve the most complex problems.

VISION

- ◆ To cultivate excellence in mathematical learning, teaching, and research.
- ◆ To inspire students to appreciate the beauty and power of mathematics.
- ◆ To develop innovative and analytical thinkers for the future.
- ◆ To promote a culture of scientific inquiry and problem-solving.
- ◆ To encourage lifelong learning in mathematics and related disciplines.
- ◆ To nurture mathematical talent and creativity among students.
- ◆ To create a vibrant platform for academic and professional growth.
- ◆ To uphold the legacy of mathematical excellence inspired by Srinivasa Ramanujan.

MISSION

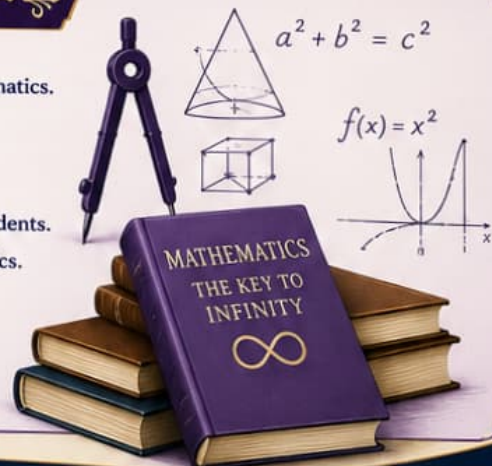

- ◆ To organize seminars, workshops, and guest lectures on contemporary mathematical topics.
- ◆ To provide opportunities for students to participate in mathematical competitions and activities.
- ◆ To encourage research aptitude and project-based learning among students.
- ◆ To bridge the gap between theoretical mathematics and real-world applications.
- ◆ To foster collaboration among students, faculty members, and industry experts.
- ◆ To develop critical thinking, logical reasoning, and analytical skills.
- ◆ To promote the effective use of technology in mathematical learning and research.
- ◆ To create an inclusive environment that supports academic excellence and innovation.

OBJECTIVES

- ◆ To enhance students' interest and proficiency in mathematics.
- ◆ To conduct regular academic and co-curricular activities related to mathematics.
- ◆ To encourage participation in quizzes, puzzles, model presentations, and mathematical exhibitions.
- ◆ To provide a forum for discussing recent developments in mathematics.
- ◆ To improve communication, presentation, and leadership skills among students.
- ◆ To motivate students to pursue higher studies and research in mathematics.
- ◆ To establish links with academic institutions and professional bodies for knowledge sharing.
- ◆ To recognize and reward outstanding achievements in mathematics and related fields.

"What you get by achieving your goals is not as important as what you become by achieving your goals."

- Srinivasa Ramanujan
